EARTH HOUR AT HOTEL BOROBUDUR JAKARTA

Hotel Borobudur Jakarta supported the campaign of climate change and global warming prevention by holding power outages and other electronic appliances for one hour at 20:30 to 21:30 pm in Earth Hour 2017 takes place on Saturday night, 25 March 2017.

In this year's Earth Hour event involves employees and guests of the hotel. This is the real action in protecting the environment and supporting government policies and President Jokowi to the United Nations Framework Convention on Climate Change (UNFCCC). This small contribution is expected to cut emissions of carbon dioxide and other companies can do the same thing so that more and more greenhouse gas emissions could be saved.

Hotel Borobudur Jakarta invites corporations and other hotels are also doing the same thing in order to reduce the impact of global climate change is increasingly worrying. In the garden area Hotel Borobudur Jakarta, about 250 people gathered. They volunteered to come to this event. When all the power goes out, they are simultaneously lit environmentally friendly candles. All employees and guests was singing songs together accompanied by home band "Discovery Talent" by during power outages.

Hotel Borobudur Jakarta has consistently preserving the environment not only on the occasion of Earth Hour, but there are 3 monthly events called "Cleaning Blitz" in which all employees must participate to clean their work area and the area of the hotel.

On this occasional event, Hotel Borobudur Jakarta introduce the newest facility, butterfly dome as one of guest's attraction. This butterfly dome which stand strong in length : 10,1 M, wide : 5 M and high : 3,5 M at garden area. In the butterfly dome, guests may see 32 (thirty two) species which breed by the garden team of Hotel Borobudur Jakarta such as *Troides Helena*, *Euploea Mulciber*, *Papilia Polytes*, *Euploea Phanareta*, *Papilio Memnon*, *Junonia Iphita*, *Graphium Agamemnon* and many more.
